# University governance measures

The Council of the Tashkent State University of Law (hereinafter referred to as the university) is the permanent supreme body of the university.

The Council, being a collegial body of the university, makes a collegial decision on the main issues related to organizational and managerial, educational and methodological, scientific and innovative, spiritual as well as financial and economic activities of the University.

The rector approves the composition of the Council. The charter and regulations of the Council are approved by the decision of the Council. The Council includes vice-rectors, deans of faculties, heads of departments (academic), heads of other departments, leading professors and other employees.

The University Council may also include representatives of the Ministry of Justice of the Republic of Uzbekistan, the Ministry of Higher and Secondary Special Education and representatives of other interested ministries, organizations and departments.
